

Live Island Style healthjobspei.ca

Prince Edward Island is a wonderful, safe place with unsurpassed quality of life. We offer a lifestyle that offers a healthy balance between work, family and fun. You live and work minutes from world class recreation: salt-water beaches, spectacular golf, scenic hiking and challenging nordic ski trails.

The full-time permanent position is at Souris Hospital in beautiful Souris. The fully equipped Physiotherapy Department has a balcony that overlooks the scenic Souris Harbour where the Magdalen Islands ferry docks. Have direct access to local seafood and enjoy all the services a small town offers – Souris presents it all.

We offer up to \$5000. financial relocation assistance and affordable real estate options.

The Physiotherapist assesses, diagnoses and treats various conditions/disabilities affecting the musculoskeletal, cardio-respiratory and/or neurological systems of the body for the purpose of reducing or alleviating movement/motor dysfunctions to facilitate a patient's recovery and return to optimal functioning. Souris Hospital, a 17 bed (plus one observation bed) acute care rural facility, provides services for approximately 7,000 residents of Eastern Kings as well as other parts of the province and visitors to the area.

Salary Range: \$24.72 - \$30.31 per hour (under negotiations)

Posting ID: 108438-0510SHPO
